EAST DISTRICT RALLY REPORT

The May East District Rally was held on May 20th at Johnson FCOG in Rowan County. We were blessed with a great service as churches from all across Eastern Ky. came together to worship. The sanctuary was filled to capacity with 18 different congregations represented.

The gospel group, "The McKinneys", provided the special singing in the pre-service and two specials during the worship service. The Worship Leader for the Rally was Mike Harmon from East Fork COG and Robin Tolle from Owingsville FCOG accompanied him on the piano.

Host Pastor Ben Furman welcomed those in attendance and voiced the opening prayer. The guest speaker for this service was Pastor Mike Hicks from Bowen FCOG. Pastor Hicks shared a wonderful message entitled, "The Promise Is Still Available ". The offertory prayer was given by Pastor Ben Liston from Stanton FCOG and the offertory song was sung by Elaine Rice from Owingsville FCOG. The offertory received will go towards expenses for this ministry.

We would like to thank Pastor Ben and Torrie Furman as well as the Johnson congregation for hosting the Rally and the delicious food they provided for our time of fellowship.

We would like to invite everyone to our next East District Rally that will be held at Bowen FCOG, in Powell County, on August 19th. Our guest speaker will be Pastor Mark Wagoner from Neon FCOG and the special singing will be provided by The Masters Trio. The Pre-Service will begin at 5:30 PM and Worship at 6:00 PM.

Mark your calendars and share this information with your congregation

From the Desk of...

The East District COG Vice Chairman

Brothers and Sisters in Christ,

Perhaps you have heard the statement that goes something like this, "the only thing that remains the same is CHANGE." You would have to admit, things in life are constantly CHANGING. Our appearance changes, just look in the mirror and you'll discover this one. Our relationships change, our circumstances change, and on and on we could

go about things CHANGING.

And many of us have found out, sometimes CHANGE is difficult. Change brings about uncertainty, letting go of the familiar and trying to embrace the present, and that's not always easy, but it is NECESSARY. If things don't change, there can be no growth. It would help us to remember that even though change is hard, it's needed for us to grow.

My life, like yours has went through many CHANGES. A quote that has helped me through the changes is this: "The pain of change is soon forgotten, when the benefit of change is realized."

Yes, change is sometimes painful, but hopefully we can realize the benefits of change throughout our life. Time would fail us to be able to talk about all the CHANGES that life can bring about and the different challenges that change presents. But as we look back on our lives, my hope would be that change has made us BETTER, not BITTER.

And there is something else that should encourage us in the CHANGES we face. We serve a God who never changes. His love and care for us is always the SAME. So whatever changes that God has allowed in your life today, remember: they're to make you BETTER, not bitter. And always remember the words of the Psalmist, Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

He truly is our COMFORT especially in the CHANGES we encounter.

Your brother in Christ,

Terry Frerichs, Vice Chairman of the East District

MEADE STATION CHURCH OF GOD HOSPICE QUILTING MINISTRY

Meade Station Church of God has a quilting ministry that began in 2009. This ministry is a group of women who make lap quilts for hospice patients that are in the hospice center in Ashland. They also give quilts to people in the church that are sick. Over the past nine years they have given away hundreds of quilts. Last year alone they gave away approximately 200 quilts.

This ministry began because one of the lady's family received a quilt while their family member was in hospice. The quilt was used by the family member while in the hospice center and then the family got to keep the quilt after the person passed away. She saw the comfort it gave to the spouse after the family member was gone. The ministry began as a small group and has now increased to about 20 members. These ladies are from different churches and denominations. All ladies are welcome to attend. They meet the second Tuesday of every month at Meade Station Church of God.

During their meeting they show the quilt tops they have made for the month. Also, someone from the group demonstrates how to make a new quilt design and passes out directions on how to make the quilt. They eat lunch together and then the members have an opportunity to go to a small room where there are shelves of fabric that have been donated to the group. They take whatever materials they need and go home and make the quilt top at home. The quilt tops are taken to a machine quilter who quilts them. The quilts are brought to the group the next month and they take their quilt home and bind it and sew on an appliqued heart on the back that says "Made with love by a hospice quilter".

This ministry is totally funded by generous donations from people in the church and community. Over the past 9 years people have donated fabric, thread and even sewing machines to this group. This ministry could not be done without these generous donations. When the quilts are turned in to the hospice center hospice receives 40 community service hours for each quilt turned in to help toward Medicare funding. Thousands of community hours have been completed by the quilting group.

Starting this past fall, at the recommendation of the pastor, each month when the quilts are completed the congregation prays over the quilts before taking them to the center. This gives the church an opportunity to be a part of this ministry as well.
