

EAST DISTRICT RALLY REPORT

We were blessed with a great service at the East District Rally that was held at Zoe FCOG on April 17. The sanctuary was filled to capacity as God's people from all across Eastern Ky. came together to worship. There were 13 congregations represented at this special service.

The evening began with wonderful pre-service music performed by the Owingsville Quartet. The Quartet also provided the special singing during the worship service as well. Host Pastor, Doug Roberts shared words of welcome to those in attendance.

The Worship Leader for this Rally was Lanny Rogers from Stanton FCOG and Brandon Pelfrey from Morehead FCOG accompanied him on the piano. Pastor Vernon Gross from Young's Valley COG voiced the prayer over the requests that were taken.

The quest speaker for this service was Pastor Teddie Linkous from Vaughns Mills FCOG. Pastor Teddie shared a great message entitled "Holiness". The offertory prayer was prayed by Pastor David Neace from Campton FCOG and the offertory song was performed by the Hobbs Family from Torrent FCOG.

East District Chairman Jeff Justice concluded the service by honoring Pastor Raymond and Kaye Tipton from Morris Creek FCOG, with a Certificate of Appreciation and a gift card.

We would like to thank Pastor Doug Roberts and the Zoe FCOG for hosting this Rally and for the delicious food they provided after the service.

The next East District Rally will be held on May 15, at the Shawnee FCOG in Flatwoods, Ky. The guest speaker will be Pastor Jake Eldridge from Buffalo COG and the special singing will be provided by the Heritage Quartet from Eastland COG in Lexington, Ky.

Pastor Jim Stamper and the Shawnee COG would like to invite everyone to attend this upcoming service. The pre-service will begin at 5:30 P.M. and the worship service will begin at 6:00 P.M. Mark your calendars and we hope to see you there.

Mission Statement: May the unity of the Spirit mold us by the Word of God unto the perfect body attracting all men that they may be saved honoring our Lord.

From the Desk of... The East District COG Vice Chairman

Brothers and Sisters in Christ, I think we all want to make a difference in the communities that we live in. I like to share with you one way my wife and I have discovered how to do this. It was becoming Foster to adopt parents. Now before you release a big sigh and give the usual reasons why YOU can't do it, you know the ones; "I'm too old." "We've already raised our kids." "I don't have the time." "I don't think I have the patience anymore." And one of my favorites, "I think I'd get too attached and then my heart would break if I had to give them back." But I think a child that's at risk is worth all of our love no matter what the cost. After all, it's not about us it's about them and showing them the love of God through us.

Now I understand this kind of ministry may not be for all, but I dare say it's for some and possibly you.

Now the system may not be perfect, but what system is? Sometimes people need a little help to get over the rough spots of life. Of course not all families are brought back together, but there are success stories out there. There are families today, who because Foster parents, provided the love and care for someone else's children, while mom and dad had to take some time to figure it out, are together today. I don't know about you, but I for one think its well worth the time and effort to do what we can to keep families together, however dysfunctional we may think they are. I also think that EVERYBODY deserves a second, third, fourth etc. to get it right. Sometimes it works sometimes it doesn't, but that doesn't mean we shouldn't try.

When families can't be put back together for whatever reason, that's where the adoption comes in. You would have to agree every child deserves to be loved and part of a family. If for some reason beyond the child's control, their birth family doesn't work, that's where you and I come in. Is it sometimes hard? Is it sometimes difficult? Is it sometimes frustrating? Is it sometimes inconvenient? The answer to those questions is yes, but it's ALWAYS WORTH MAKING A DIFFERENCE IN THE LIFE OF A CHILD. There's much more I can write and stories to tell, but I'll save those for another day. I just wanted to give you some food for thought, just in case you want to make a difference. If you want further information contact your local Foster agency.

Your brother in ministry,

Terry Frerichs Vice Chairman of the East District

Meade Station Church of God Shreds Their Mortgage

On Sunday, November 4, 2012, the Meade Station Church of God held their first service in their new 20,000 square foot multi-use worship facility. The building was built at a cost of 1.7 million dollars. The Lord had blessed the congregation in such a way that they had \$600,000 on hand to put toward the construction of the building leaving them with a need to borrow nearly 1.1 million dollars.

On Sunday morning, April 17, 2016, the congregation celebrated the payoff of their mortgage and shredded the mortgage as a part of their morning worship experience! (Pastor Jordan and the congregation give the Lord all the praise and glory for this wonderful blessing!)

Plans are now in the process of designing the second and final phase of their relocation process. At some point the congregation plans on building a new sanctuary that will connect to their present building. At that point in time their current worship area will become a space used for youth/children ministries and for fellowship.
