The East District Rally was held on July 11 at the Meade Station Church of God. We were blessed with a great service as churches from all across the area came together to worship the Lord. There were 16 different congregations represented.

The gospel group, "Eventide" provided the special singing in the pre-service and before the worship service. Congregational singing was led by Worship Leader Lorie Daugherty from Eastland Church of God.

Host Pastor Chris Murphy welcomed those in attendance and voiced the opening prayer. The guest speaker was Pastor Donny McKenzie from South Shore First Church of God. He shared a wonderful and challenging message "The Victorious Church".

The offertory prayer was given by Pastor Jim Stamper, Shawnee Church of God. The offertory song was sung by Lorie Daugherty. The offering received will go towards expenses for this ministry.

Pastor Trey Parsons from Grandview Church of God concluded the service by voiced our closing prayer.

We would like to thank Pastor Chris and Alana Murphy, as well as, the Meade Station Church of God Congregation for hosting the rally and for providing ice cream following the service.

Mark Your Calendars:

The next East District Rally will be August 15 at the Clay City First Church of God.

From the Desk of....

The East District COG Vice Chairman

Dear Brothers and Sisters in Christ,

Is our FAITH shown by our works? Let me give you an illustration, perhaps you've heard of this one.

In college, a student was asked to prepare a lesson to teach his speech class. He was to be graded on creativity and ability to drive home a point in a memorable way.

The title of his talk was, "**The Law of the Pendulum.**"

He spent twenty minutes carefully teaching the physical principle that governs a swinging pendulum. The law of the pendulum is:

-a pendulum can never return to a point higher than the point from which it was released.

Because of friction and gravity, when the pendulum returns, it will fall short of its original release point.

-Each time it swings it makes less and less of an arc, until finally it is at rest. This point of rest is called the state of equilibrium, where all forces acting on the pendulum are equal. The student then attached a three-foot string to a child's toy top and secured it to the top of the blackboard with a thumbtack. He then pulled the top to one side and made a mark on the blackboard where he let it go. Each time it swung back he made a new mark. It took less than a minute for the top to complete its swinging and come to rest.

When he finished the demonstration, the markings on the blackboard proved the **law of the pendulum**. The student then asked how many people in the room **believed** the law of the pendulum was true. As predicted, all of his classmates raised their hands and so did the teacher.

The teacher started to walk to the front of the room thinking the class was over. In reality it had only begun. Hanging from the steel beams in the middle of the room was a large, crude but functional pendulum made from 250 pounds of metal weights tied to four strands of 500 pound test parachute cord. The student invited the instructor to climb up on a table and sit in a chair with the back of his head against a cement wall.

The student then brought the 250 pounds of metal up to the teacher's nose. Holding the huge pendulum just a fraction of an inch from the teacher's face.

The student once again explained the law of the pendulum moments ago everybody **AGREED** was true. "If the law of the pendulum is true, then when I release this mass of metal, it will swing across the room and return short of the release point. Your nose will be in no danger." "Sir, do you believe this law is true?" There was a long pause. Huge beads of sweat formed on his upper lip and then weakly he nodded and whispered, "**Yes.**" The student **released** the pendulum. It made a swishing sound as it arced across the room. At the far end of its swing, it paused momentarily and started back.

The student later testified that he had never seen a man move so fast in his entire life. The teacher literally dove from off the table!

You see, it was easy for this teacher to believe in the law of the pendulum when it was all **theoretical**.

However, when his life literally depended on the law of the pendulum he showed that his belief was only theoretical.

Is our FAITH alive or dead? May you walk by faith and not by sight.

May God bless,

Terry Frerichs Vice Chairman of the East District.

WELCOMES

Salt Lick First Church of God

Interim Pastor

Eastern KY First Church of God Campground, Inc.

Dear Friends of the Eastern Kentucky Campmeeting,

I am so thankful for the wonderful campmeeting we had this year. Brother Heater did an outstanding job of preaching for us each evening and the music each night was just wonderful. A great spirit was evident in each service and the fellowship was a joy to all in attendance!

We are so blessed to have the facilities that we do have, and yet we realize that some improvements are in order. The Campground Board feels we desperately need to update our restrooms. The fixtures in our restrooms are old and not functioning as well as they should. The cost necessary to update both restrooms comes at a price tag of \$1,650.00. Some of our local men have stated they can remove the old fixtures and install the new fixtures which will save us several dollars in labor cost.

If a congregation, CWC Group, Sunday School Class, or just an individual would like to contribute to this need you may do so by sending your gift as follows:

Payable to: Eastern Kentucky First Church of God Campground

Prestonsburg Church of God
C/O Debbie Johnson, Campground Treasurer

Prestonsburg, KY 41653
MEMO: Restroom Project

Thank you for your consideration of this matter.

Sincerely,

Jeff Justice
Campground Chairman

Eastern KY First Church of God Campground, Inc.

Dear Friends,

I am writing to you today to inform you of a change that is taking place that affects the operation of the East Kentucky Campmeeting. Brother Jimmy Fuller has served our Campground Board faithfully for a number of years as Treasurer, but due to some ongoing health issues, he has had to step down from his duties in that position. Brother Fuller will indeed be missed on the board. Please remember him and his dear wife, Judy, in your prayers.

I am pleased to announce, however, that we have another wonderful person who has stepped up to take on the duties of Campground Treasurer, and that person is Sister Debbie Johnson of the Prestonsburg congregation. All future contributions to the Camp Ground should be mailed to her. All checks should be made out to:

Eastern Kentucky First Church of God Campground
Prestonsburg Church of God
C/O Debbie Johnson, Campground Treasurer
202 University Drive
Prestonsburg, KY 41653

All donations to the campground are greatly appreciated. God is truly blessing our campmeeting services each year and your faithful support is necessary for the continued growth of our campmeeting.

A special word of thanks is in order to all of you who support our campmeeting efforts with your prayers and gifts.

Sincerely,

Jeff Justice
Campground Chairman
