From the Desk of...

The East District COG Vice Chairman

Brothers and Sisters in Christ,

In June, my family and I had the opportunity to visit Disney World because of the generosity of my wife's niece and her husband inviting us to "share the magic" with them. They are Disney Vacation members and have been member since 2004. Although this was Sherri and my first time to the "kingdom", it was certainly

not their first time. They have went to Disneyworld practically every year since they have been members of the Disney Vacation Club.

I tell you this because one would think, that if you've been every year over the past 14 years that somehow you would lose the "wonder" of all that Disney has to offer. This is absolutely not the case, of course we were excited, being our first visit. But I noticed they too were excited and hadn't lost the "wonder" of Disney, "the happiest place on earth." You could tell it in their actions and there words, that they ENJOYED SHARING THE "WONDER" OF DISNEY.

This got me to thinking and reflecting on "God's Kingdom." Have we lost the "wonder" of the Kingdom we belong to thru the new birth? Have we lost the "wonder" over the years? One of the reasons why Disney is considered the "happiest place on earth", in my opinion, is because all the workers are so friendly. In turn, that made me feel better, even though it was hot and some lines were long etc.

I think if we would rediscover the "wonder" of God's Kingdom and the freedom we have in Him, I believe our world would be a friendlier place also. And THE CHURCH, God's citizens of His Kingdom, like my wife's niece and husband, we too would be excited to SHARE the excitement of GOD'S KINGDOM with others.

By the way, my wife's niece and her husband are members of the "Magic Kingdom", but more importantly, they are members of God's Kingdom. This summer let's rediscover the wonder of God's Kingdom.

Your brother in ministry,

Terry Frerichs
