From the Desk of the Vice Chairman

Robert A. Jordan
East District Vice-Chairman

I am sure many of you are just like me in the sense that when I hear the word “November” I automatically think of Thanksgiving. Thanksgiving holds a lot of fond memories for me. Of course there is the obvious, food and football. I also have a lot of fond memories from my teenage years in regards to Thanksgiving. During those years it meant rabbit hunting! Several of the young boys in my area would gather at one of our friends whose family owned a large farm, and we would hunt rabbits from daylight until one o’clock or so. You can be sure all of that walking did wonders for our appetite!!!

As I got older and especially after we moved to North Carolina to pastor, family became my focus on Thanksgiving. Of the ten Thanksgivings I pastored in North Carolina we only came back to Kentucky one time for Thanksgiving. Therefore it was important that my wife and I make Thanksgiving something special for our two young boys. We would invite other people from our church who were transplants like us, and we had a huge dinner in our house for everyone involved. To this day those are special days to remember.

Thanksgiving is a time for us to reflect on the many blessings God has bestowed upon us. I have been fortunate to have pastored four wonderful congregations including my present charge. We have met so many wonderful people and acquired so many great friends, people that have forever changed our lives. Many of them are as close to me as my own family.

In the past two years, I have acquired a new family, the many dear people I have met in the East District. There are too many pastors and lay people for me to mention here but suffice it to say I have met many wonderful brothers and sisters in Christ. We have worshipped together, prayed together, laughed together and yes, even wept together. I am so thankful for the ministry of the East District.

Our soul purpose is to encourage Church of God congregations to worship and fellowship together. The success of our efforts far exceed the expectations we had two years ago. None of us will ever be able to thank Jeff Justice enough for his tireless efforts to encourage us to be the Church of God.

So as you think about Thanksgiving this year and begin to recount in your mind all the things you are thankful for please thank God for this ministry that has so positively touched so many lives. Pray for Jeff and all of the other people involved in our rallies that every thing we do will be done to the glory of God.

Your Brother in Christ,

Rob

"Go therefore and make disciples of all the nations." This mandate of evangelism was given both to the Apostles and to those that follow in the name of Jesus Christ. In order to go into all the world, we must go into all the communities. Two works have begun in the life of the East District. Clay County First Church of God in Manchester, KY, and Millard First Church of God in Pike County. Please be in prayer for these two works as Kingdom proclamation goes forth to all communities. If you would like to contribute financially to either of these works please use the information below.

An Evening with the East District

Pastor Lowell Rice and the Owingsville First Church of God are planning a special evening to garner support for the ministry of the East District on Saturday, November 7. A soup and/or chili dinner will be served from 5-7 pm followed by an evening of gospel music. The proceeds from the dinner will go to the financial support of the East District. We encourage all pastors and congregational members to join us for a great evening of food and fellowship. Your support makes the unity services, youth rallies and ministers fellowship possible. Thank you for all of your support.
