Terry Frerichs, Chairman

Greetings from the East District,

What a tremendous start to the 2024 East District Rallies. Shawnee and Broadway 1st Church of Gods have been remarkable hosts. We are looking forward to visiting the Preston 1st Church of God in Bath County, May 19th. I hope you'll take the time to come fellowship with us.

A huge thanks to all of you who continue to support the East District of the Ky Church of God with your ongoing prayers and financial support. This speaks volumes to the Unity of the Spirit we have enjoyed throughout the East District.

The singing has been inspiring, and the preaching has been both challenging and encouraging. Please come be with us at Preston before the summer activities have us busy with Vacation Bible Schools and the many Revivals that are scheduled.

As always, God bless and God speed.

Your Chairman,

Terry Frerichs

KY EAST DISTRICT OF THE CHURCH OF GOD

David R. Neace, Vice- Chairman

May / June 2024

Greetings Brothers and Sisters in Christ.

We have come through the Easter season once again. The season that reminds us of the resurrection of our Lord. It was his appearances to his disciples after the resurrection, that "fired" them up.

Seeing and touching and listening to the risen Savior was a turning point in the lives of the disciples. Prior to the resurrection, they appeared timid and reserved in their ministry. They were concerned about the power and authority of the Sanhedrin and the Romans, fearful for their lives. The prime example of that was Peter's denial of knowing Jesus when he was confronted during Jesus' trial.

However, after meeting the risen Christ, everything seemed to change for them. Their fear of the authorities seemed to vanish. We see Peter and John hauled before the Sanhedrin, and threatened, to no avail. Then the next time they were whipped. Still, they refused to back down or shut up preaching about Jesus. Then we see Stephen stoned to death and James put to the sword. Even then the apostles and disciples continued to defy the authorities and ceased not to teach and preach about Jesus and his resurrection.

It almost seemed that the disciples developed a death wish. As if they were eager to die, and move on into eternity. The apostle Paul would later write and say "FOR ME TO LIVE IS CHRIST", and "TO DIE IS GAIN!"

Meeting the risen Christ removed all their doubts about life after death. Hearing him talk about heaven and what was in store for them on "the other side" filled them with eagerness to reach heaven.

When I am assailed by doubts and confusion, I turn my thoughts back to the resurrection, the most significant event in all of human history. That brings me back to the ground zero, to the corner stone of my faith. The resurrection re-energizes, my desire to continue to serve.

Because he lives, I can face tomorrow! Thank God for the resurrection of His son. Spring is the season of new life — picturing for us, our new life in Christ and the new life to come on the other side of the grave. Indeed, for me to live is Christ, and to die, is gain!

Let us keep Christ's resurrection foremost in our thoughts. It can transform us as it did the disciples.

David R. Neace

How do you find your way in the midst of the polluted fog? What are those essentials which mark the path to follow and point to Normal Christianity as revealed in the New Testament?

The Church cannot be the church and influence society and fulfill its God given destiny and mission, unless it discovers its Biblical essentials and embeds them in the heart and mind of every believer.
